

The Toyota Land Cruiser is the ideal rental vehicle for 2 adults or a family with 2 younger children for a tour through Namibia. It is a fully equipped 4 sleeper camper ideal for small children sleeping in close proximity to their parents. This 4x4 Land Cruiser descends from a tried and tested family of off-road vehicles, mastering challenging terrain and high driver demands with ease. The vehicle is suitable for all roads in Southern Africa.

The camper has a 200 litre double tank with a calculated range of approximately 1,000 kilometres. The vehicle has a 4.5 litre V8 turbo diesel engine with a 5-speed manual transmission. It has four wheel drive and is equipped with air-conditioning, power steering, USB and radio. It has a built in water tank of 40 litres and LED lights throughout the camper.

LUGGAGE:

Suitcases cannot be transported in the vehicle. In the camper there are compartments and pockets for clothing and personal belongings. Suitcases can be stored at the Windhoek depot during the rental.

Use of 4x4 mode:

The following maximum speed limits are not allowed to be exceeded when using the 4x4 mode:

H4 (High range) 60 km/h

L4 (Low range) 30 km/h

Switch to the four-wheel drives, H4 or L4, only when the vehicle has come to a full stop and only when the clutch is pressed in! In an automatic vehicle the gear lever must be in neutral.

It is not allowed to use the 4x4 mode (H4 or L4) on tar roads or good gravel roads!

The L4 is only allowed for short-term use in areas with deep sand, steep inclines/declines!

By using the 4x4 mode incorrectly/permanently, the renter will be held liable for the full amount in damages.

Speed limits:

The general speed limits in Namibia may differ to those prescribed by the supplier. It is the renter's responsibility to adhere to the speed limits prescribed by the supplier unless lower speeds are prescribed by law.

The Client (including any and all additional drivers) must keep to the prescribed speed limitations:

Tar Roads: Maximum 120km per hour (for all Vehicle Types)

Not Tarrred Roads: Maximum 80 km per hour (for all vehicle types)

By not adhering the Speed Limit as set out above, the Insurance cover will expire and will be invalid.
